Day 1 : Darwin to Mary River

Leaving Darwin we head south to the magical Litchfield National Park to experience the stunning waterfalls that flow all year round. Visit Florence Falls where there is a chance to walk through rainforest or swim in the plunge pool below. Experience the natural spa at Buley Rockhole and a refreshing swim at Wangi Falls. You will also discover the impressive termite mounds that are scattered throughout the park. This afternoon we head to Pudakul Cultural Experience where you will meet some of the local Aboriginal people and learn about their culture, bush tucker, art and craft. We overnight at our safari accommodation in the Mary River region. (LD)

Day 2 : Mary River to Kakadu National Park

Kakadu National Park is World Heritage listed for its natural features and housing the world's oldest living culture. Relax aboard a three hour boat cruise on Corroborree Billabong which is home to amazing birdlife, water lilies and saltwater crocodile and gain a further insight into Aboriginal culture at the Bowali Visitor Centre. We finish the day at history rich Ubirr, where you will see vivid Aboriginal rock art that dates back over 20,000 years and enjoy 360 degree sunset views over the floodplains and Kakadu wetlands. Our safari accommodation tonight is in the heart of Kakadu. (BLD)

Day 3 : Kakadu to Darwin

Get ready for some 4WD action as we head into Twin Falls. Access to the falls is via a short boat trip and walk over rocks to relax on the beach surrounded by the spectacular sandstone cliff faces. View abundant bird life including thousands of Magpie Geese from the observation tower at Mamukala Wetlands before we commence our return journey back to Darwin. (BL)
