After a hearty breakfast our Aboriginal host shares the spectacular art site of Rainbow Valley where we experience rock art, engravings and occupation sites never before open to the public. Listen to the Creation stories (Altyerre) and learn of the cultural significance of this ancient landscape.

After Lunch we travel towards Mpwelarrre (Walkabout Bore) along an exclusive outback track where Red Kangaroo (Kerre Aherre), Euro, wild Camel, Horses and a host of natures creatures can be observed. This is a location of the geologically unique Hailstone site (Kunata). Art and artifacts unique to the area will be available if so desired. Your local guide will create a fun and entertaining atmosphere to conclude the experience.

We are only 90 minutes from Alice Springs and will return you to your accommodation at approximately 5pm.
