CAMPWILD KANGAROO ISLAND

\$85
All inclusive. 2011/12

4 Time Winner of the Golden Backpack Award's Best Tour in South Australia

The Barossa Valley is Australia's most famous wine region. The Groovy day begins by travelling through the Adelaide Hills, stopping at the world's largest Rocking Horse and the amazing Whispering Wall and then on to our first wine tasting experience.

We spend approximately 45 minutes in the Jacob's Creek Visitor's Centre, going through the history of the Jacob's Creek brand, followed by a structured wine tasting and an educational presentation.

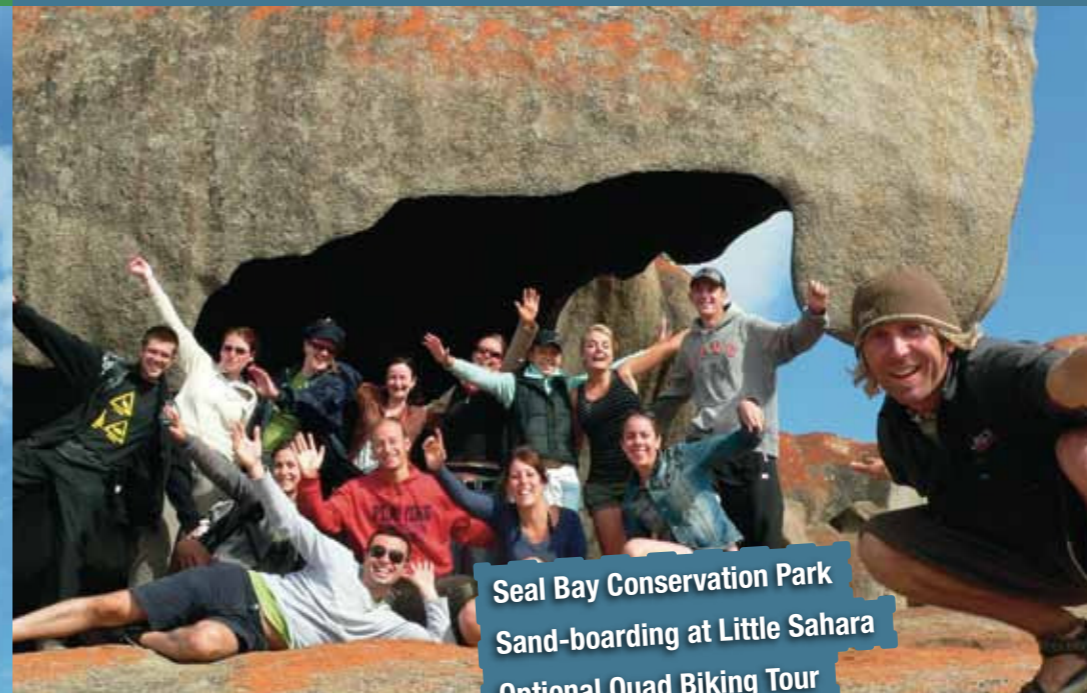

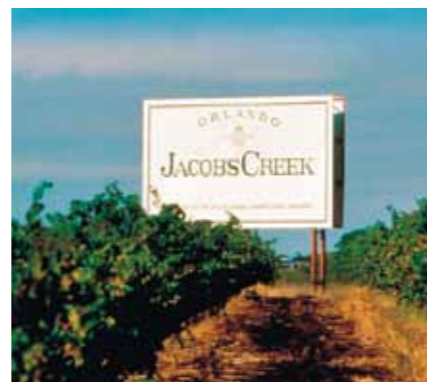

We head to Richmond Grove, a picturesque winery set on the banks of the North Para River. Where you get to tour their cellars and enjoy their wine. Lunch is a barbecue extravaganza including the Aussie speciality of marinated kangaroo. Vegetarians are not forgotten.

We fit in a trip to Mengler's Hill lookout to admire the views across the valley. We visit our fourth and final winery for today, the historic Seppeltsfield, before returning to Adelaide by about 5pm.

ADELAIDE to BAROSSA VALLEY and RETURN

Single Day Tour
Departs Adelaide from 7:45am daily

Seal Bay Conservation Park
Sand-boarding at Little Sahara
Optional Quad Biking Tour
Nocturnal Wildlife Walk
Hiking through Flinders Chase National Park
Swimming & Snorkelling at remote beaches in summer
Kelly Hill Caves (3 Day Tour Only)

Our tours start when we pick you up in Adelaide and drive towards Kangaroo Island via the Fleurieu Peninsula and experience some fantastic coastal views. We arrive at Cape Jervis and jump on the ferry as we cross the Backstairs Passage to Penneshaw on the island.

From there we start our Kangaroo Island experience with the panoramic views atop Prospect Hill.

Our days of action, wildlife and wilderness include up close encounters with sea lions on a beach walk at Seal Bay, sand-boarding at the Little Sahara (like snowboarding on sand) and optional quad biking around the bush at sunset.

Overnight is spent at our private stone cottage near Vivonne Bay and surrounded by kangaroos, possums and the occasional echidna and koala. The nights are spent around the campfire. After dinner, whether an Aussie BBQ feast or some other "tour specialty", we take a nocturnal walk and see those animals active at night, including penguins. Choose to sleep inside in the cottage in bunk beds or under the stars in swags.

We spend time in the Flinders Chase National Park, the largest on the island. We check out the famous Remarkable Rocks and Admirals Arch before choosing a selection of short hikes. Flinders Chase is home to vast tracts of untamed wilderness, the elusive platypus and heaps of other wildlife, which we'll do our best to see.

With an extra day on the island our 3 day/2 night tour has time to soak up the splendour of the island's beauty and explore hidden

beaches, Kelly Hill Caves and more opportunities for bush walking and wildlife spotting.

At the end of the day we make our way back to Penneshaw for the return crossing to Cape Jervis and the drive back into Adelaide, usually arriving at about 8.30pm.
