2 Day 4WD Kakadu Safari

Highlights

- Wildlife Boat Cruise
- Ubirr
- Twin Falls
- Jim Jim Falls
- Aboriginal Cultural Experience

Day 1 : Darwin to Kakadu

We travel west into Woolna Country where we receive a unique welcome from the Traditional Owners of the land, known as 'Cul Cul' or 'Welcome to Country'. Experience the local Aboriginal culture including cooking bush tucker, playing the didgeridoo, basket weaving and spear throwing. Later, spot crocodiles (and other wild creatures!) on a cruise along the fresh waters of the Mary River Wetlands. After lunch, discover more about the land and its stories at the Bowali Visitor Centre. The whole of Kakadu is spread out before you at Ubirr Rock, where we spend the afternoon. Tonight we camp within Kakadu National Park. (LD)

Day 2 : Kakadu to Darwin

Jim Jim Falls is our first stop today, and it's a stunner! You'll feel a bit dwarfed by the towering cliffs as we hike to the base of the falls. The spectacular gorge of Twin Falls is experienced onboard a National Park operated boat and along the boardwalk. Relax for a while on the sandy banks before we trek back to Darwin. (BL)

- Maguk (Barramundi Gorge)
- White Lily Billabong
- Twin Falls
- Jim Jim Falls
- Ubirr

Day 1 : Darwin to Mary River & Kakadu National Park

First we're off to the Mary River wetlands system, with the highest concentration of saltwater crocodiles in the southern hemisphere. We arrive in Woolna Country and you will receive a Cul Cul (welcome) from the traditional owners of the land, the Limilngan - 'Wulna' people. Experience the local Aboriginal culture including cooking bush tucker, playing the didgeridoo, basket weaving and spear throwing. Get close (but not too close!) to 'salties' and other wild creatures on a private billabong cruise. We arrive at history rich Ubirr in time for sunset. You will see vivid Aboriginal rock art that dates back over 20,000 years. Then we head to our overnight bush camp in Kakadu. (LD)

Day 2 : Kakadu National Park

It's an early one this morning as we travel to Twin Falls. The spectacular gorge is experienced onboard a national park operated boat and along the boardwalk. Unwind and relax for a bit on the sandy banks before we head deep into the escarpment country to the awesome Jim Jim Falls. It's a challenging climb to the top of the falls (either Jim Jim or Twin Falls - seasonal) but it's worth it for the sensational views over Kakadu. You'll be asleep in no time once we reach our overnight bush camp in Kakadu! (BLD)

Day 3 : Kakadu to Darwin

We start the day with a hike to Maguk (Barramundi Falls) and cool off with a dip in the plunge pools. Then take the 4WD Old Darwin Road (seasonal), stopping to admire the abundant birdlife at White Lily floodplains before continuing on to Darwin. (BL)
