#### Day 1 : Darwin to Mary River

A refreshing start to your day checking out the waterfalls of Litchfield National Park. Travel west into Woolna Country and receive a Cul Cul or unique 'Welcome to Country' by the traditional owners of the land, the Limilngan – Wulna people. Experience the local Aboriginal culture including cooking bush tucker, playing the didgeridoo, basket weaving and spear throwing. To finish the day we head to the spectacular Mary River Wetlands, where birds aren't the only wildlife abundant; keep a watch for lurking crocodiles on our private river cruise! A secluded campsite in the Mary River region is where we'll stay tonight. (LD)

#### Day 2 : Mary River to Kakadu

Discover ancient Aboriginal rock art at Ubirr and clamber to the top of a rocky lookout for fabulous views over the Nardab floodplain. Next it's on to Maguk (Barramundi Gorge) where a hike is rewarded with a reviving swim in the plunge pools. Tonight we stay at our permanent camp within Kakadu National Park. (BLD)

#### Day 3 : Kakadu to Darwin

Get ready for some 4WD action today on our way to Jim Jim Falls! Once we get there, we'll hike to the base of the falls before continuing on to Twin Falls. Feel the beauty of the stunning gorge and powerful falls from the National Park operated boat and boardwalk experience. The impressive scenery will continue to amaze you as we journey back to Darwin in the afternoon. (BL)
