- 4WDing
- Lancelin Sand Dunes
- Sand Boarding

Departing Perth we travel to the Caversham Wildlife Park for the opportunity to see koalas and other Australian native wildlife (there is even a chance to have your picture taken with a cuddly koala). We then head north to Cervantes, a small fishing village, stopping en-route to view wildflowers (seasonal).

After lunch we continue on to view the captivating, mysterious expanse of the Pinnacles with ample time to wander through the limestone spires located within the Nambung National Park.

Leaving the Pinnacles, we are soon off the sealed roads and heading on to the sand dunes around Lancelin for some 4WD fun. Keep watch for kangaroos, emus and wildflowers as we bounce down the track toward the majestic pure white Lancelin sand dunes.

Then it's out onto the dunes for a few heart stopping rides down steep sides of these huge sand 'waves' in our 4WD truck! There's time for some fun riding the dunes using our custom made sandboards (optional – no extra cost). Back into the vehicle, we make one last roadhouse stop as we return to Perth approx 7.30 – 8.00pm. (L)

Included: Experienced guide, picnic lunch, sandboarding and national park fees.

Note: Tour may operate as a code-share with Pinnacle Tours. A 4WD will be used for some/or all of the day.
