Magnetic and Cathedral Termite mounds are an amazing architectural feat containing arches, tunnels, chimneys. They are plentiful in this region and can stand as high as 6 metres. We stop to view some of these amazing insect habitats as we make our way into the park.

Once we arrive you will explore waterfalls, spring-fed streams and the rugged sandstone escarpments of Litchfield National Park. Swim, hike and explore Florence and Wangi Falls*. Enjoy a tasty BBQ lunch within the park and discover the many rock holes and cascading waterfalls of Buley Rockhole before our early evening arrival back in Darwin.

Itinerary may change due to cultural reasons, seasonal changes, operational logistics and accessibility. Safari is not suitable for children under 8 years of age.

** Wangi Falls can close during the Tropical wet season and will be substituted during this time.*
